We hereby certify that the products detailed here, have been manufactured, inspected and tested according to our standard procedures ISO 9001 and to the GMPs from our industry. These products comply with the agreed customer specification and with pertinent regulations. The above does not release the customer from the obligation to carry out an inspection of goods. Nor do they release the customer from its obligation to test whether the products are suitable for the intended use.

Products are to be used within 12 months after date of delivery.

Item	Material	Description
